Name of current Board (or Commission): Recreation and Parks Advisory Board

Please complete the following:

How long have you served on this Board or Commission?

I have been on the Recreation and Parks Advisory Board for two years (appointed to first term 3/21/08).

Why do you wish to be considered for reappointment by the Mayor and Council?

As a preventive medicine physician and public health professional, I believe I offer a unique skill set and perspective that are useful in the work of the board. For example, my expertise was critical in reviewing and updating the Parks, Recreation and Open Space (PROS) Plan. Such input will continue to be valuable as we continually strive to make Rockville a more livable, walkable, healthful city with quality, affordable recreation options for all. I have developed an excellent working relationship with the other board members and desire to continue as a member of this body. As a person who lives and works in Rockville, I appreciate tremendously the excellent quality of life I enjoy here and have a strong desire and commitment to facilitate such opportunities for others. I believe that continuing to be an active member of the Rec and Parks Board is an excellent way to accomplish this goal.

What other information should be considered for your reappointment? (Examples: Ways in which you have personally contributed to the work of the Board or Commission; leadership roles you have held on behalf of the work of the group such as chair, head of a committee or task force)

I faithfully attend board meetings every month and actively participate in discussions. I attend related functions, such as park and facility openings. I serve as a Memorial Day Parade Judge each year and participate in our board-sponsored twice-yearly stream clean-ups.

Please attach an updated resume or additional information (Optional) Attached

Please indicate here [X] yes or [] no whether or not the City may give elected officials who serve Rockville (other than the Mayor and Council) your name and address. This information will not be used for any fundraising or campaign mailings. No phone numbers will be given.
